---

EXPLANATION APPLICABLE TO UNITED STATES EXPORTS ONLY

Starting with January 1954, "other countries" includes in addition to shipments to non-listed countries, those shipments to listed countries that are valued at less than \$500 each when the number of such shipments to a country in a given month is few. This change results from sampling procedures adopted by the Bureau of the Census.

SOURCE: All United States trade compiled from records of the Bureau of the Census. Trade in foreign countries compiled from official sources.

1/ The period of time listed means a continuous period unless otherwise specified within the 12 months ending March 31. PF means "preferential countries free", and MFN means "most favored nation". 2/ May be divided into two periods. 3/ In Mexico there is a specific duty on the gross weight, plus a 10 percent ad valorem on the official valuation, or the commercial invoice value, whichever is greater. For onions, a prior import permit from the Ministry of Economy is required. Fresh vegetables are subject to a 25 percent surtax on the specific duty, plus the ad valorem duty. Also, there is a 3 percent tax on the total duty (specific duty plus ad valorem) on freight and express shipments. 4/ Includes lettuce, celery, spinach, and snap beans.
